System Enhancements**

26 February 2013

**Update
of
Company's Profile
in
e-FiT online system**

Update of Company Profile

March 5 – 20, 2013

All companies registered in the e-FiT online system will be required to key in information of all their Ultimate Beneficiary Shareholders **as per the date of submission of Feed-in Approval**

Companies **are not allowed** to make any changes to the Immediate Shareholders which was previously declared at the point of submission of Feed-in Approval.

Any change in the previously declared Immediate Shareholders will result in the revocation of the Feed-in Approval granted.

After keying the Ultimate Beneficiary Shareholders, companies are to update their profiles :

a minimum paid-up capital of RM20,000 for Feed-in Approval application of up to 72kW or RM50,000 for Feed-in Approval application of more than 72 kW;

Latest Memorandum and Articles of Association under the Companies Regulations 1966 showing power generation from renewable energy as part of their line of business;

Latest audited accounts under the Companies Regulations 1966

Ultimate Beneficial Share-holders

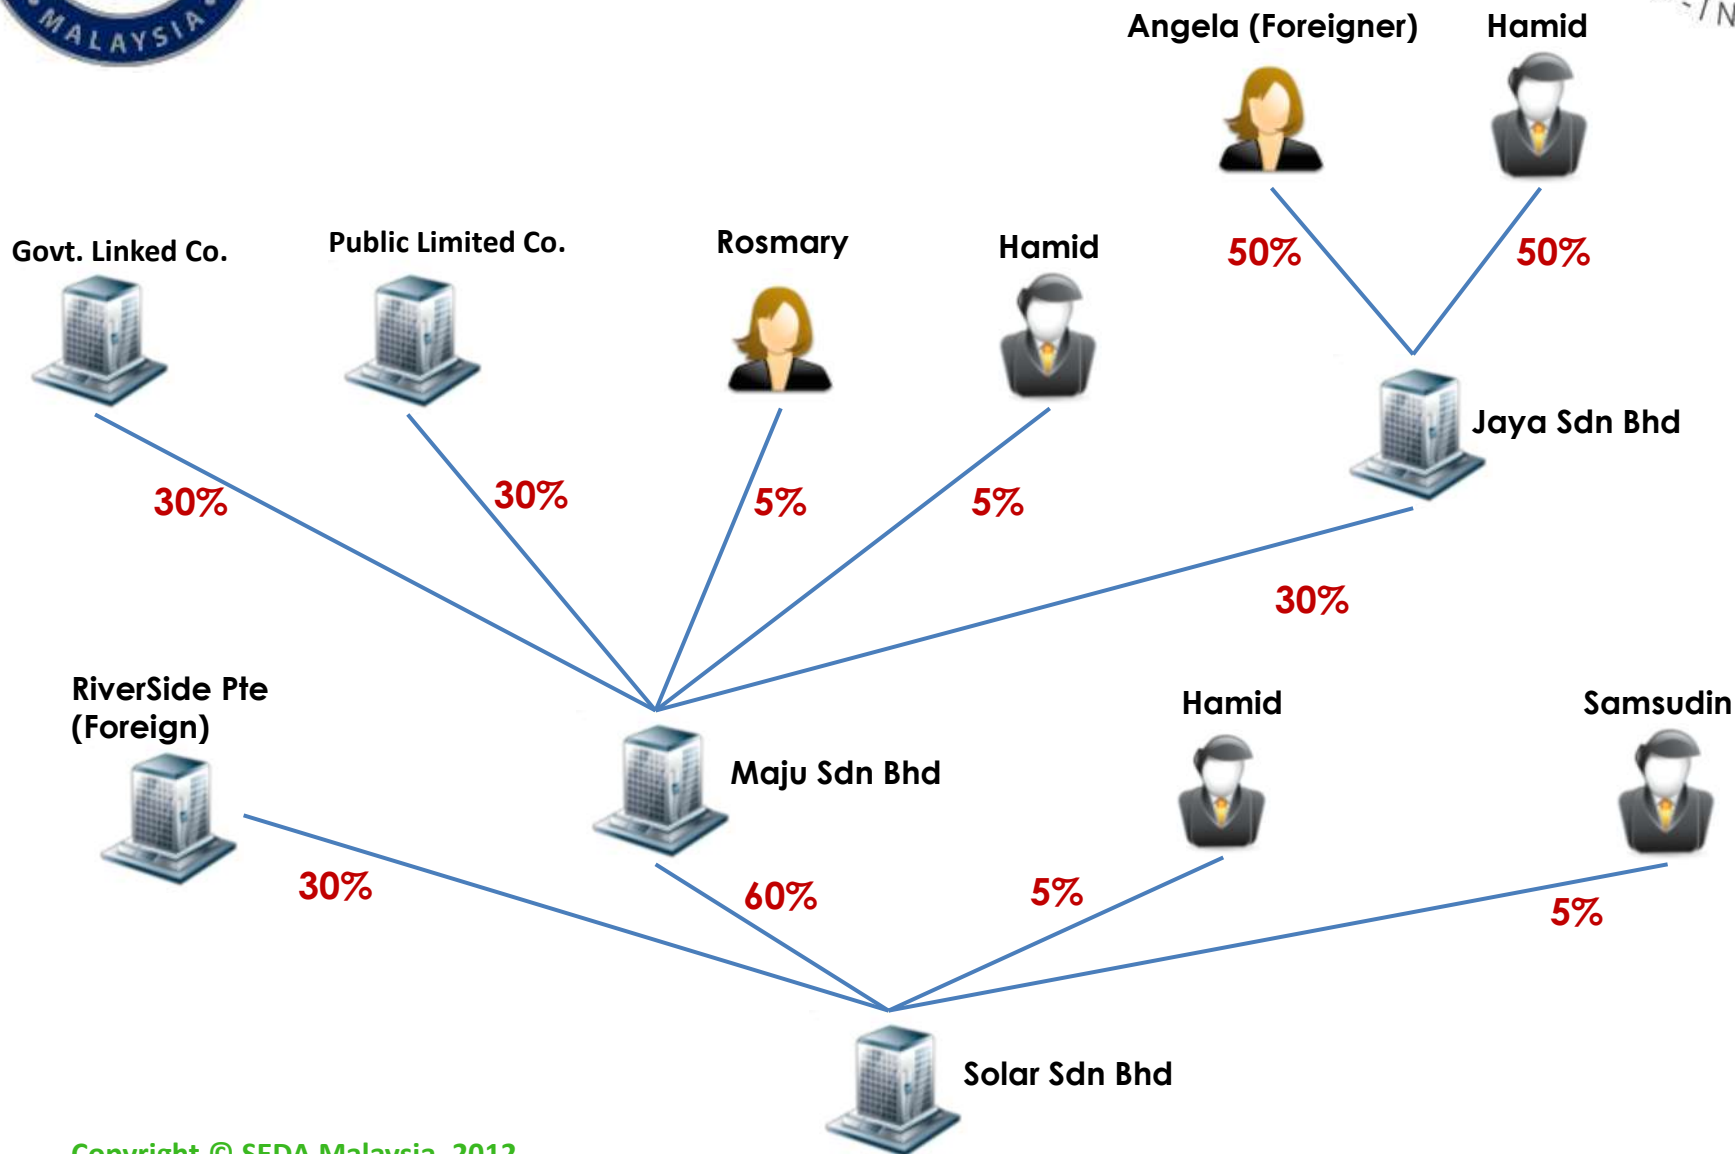

Key in each of the Ultimate Beneficial Share-holders' Names, MyKad No/Passport No/Govt Linked Company/Public Limited Company

Ownership/Shareholding percentages in the company and the date of filing with the Companies Commission of Malaysia

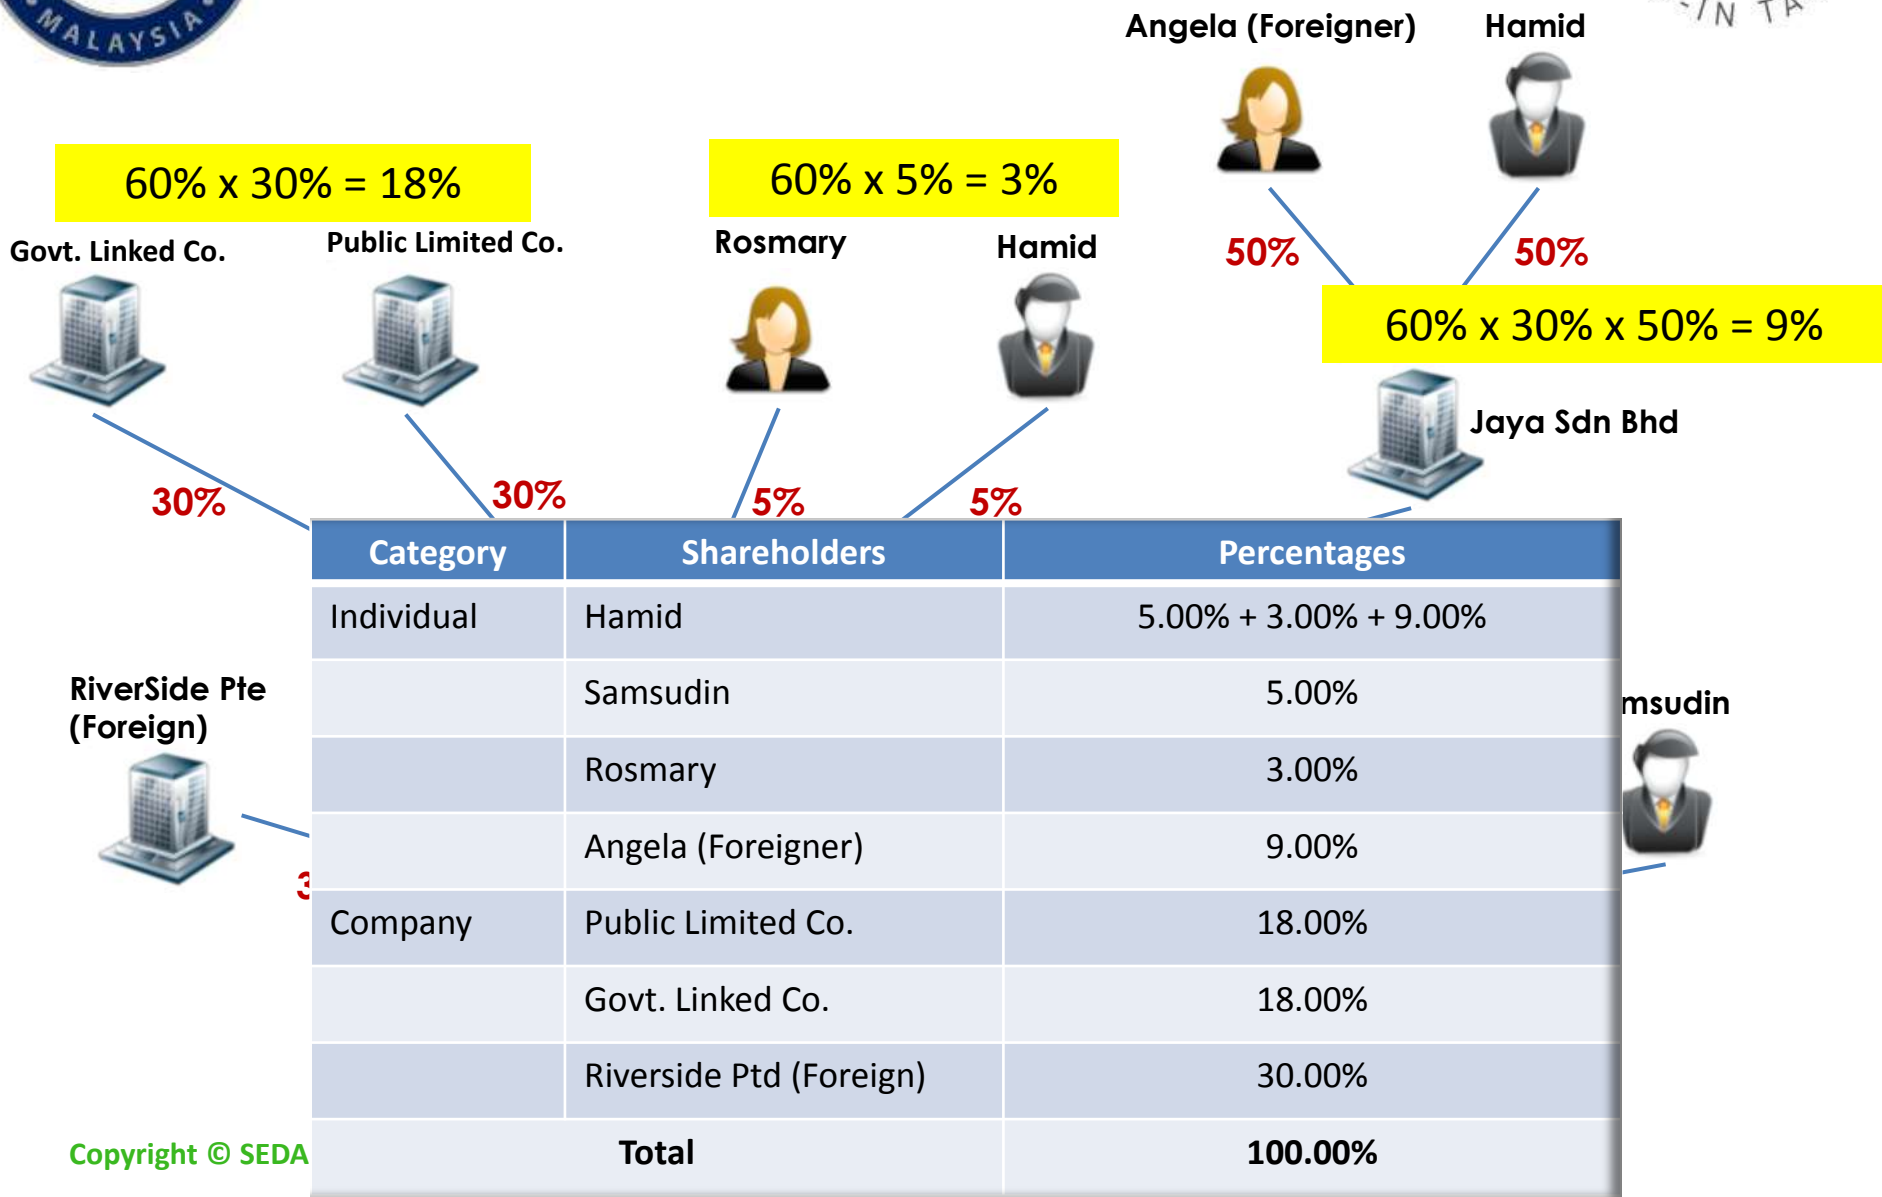

Ownership/Share-holding Structure (in percentages) showing corporate information of the company; disclosing all their Ultimate Beneficial Shareholders

- Certified true copies of their latest Forms 24, 49 or Form 29A for each company from the Applicant till the last level before the individual shareholder

Shareholding Structure

Shareholding Structure

For 1.0MW Installed Capacity

Category	Shareholders	Shareholding Percentages	Installed Capacity
Individual	Hamid	5.00% + 3.00% + 9.00%	170.00kW
	Samsudin	5.00%	50.00kW
	Rosemary	3.00%	30.00kW
	Angela (Foreigner)	9.00%	90.00kW
Company	Public Limited Co.	18.00%	180.00kW
	Govt. Linked Co.	18.00%	180.00kW
	Riverside Ptd (Foreign)	30.00%	300.00kW
Total		100.00%	1000.00kW

Shareholding Percentages

Immediate Shareholder	Category	Shareholders	Percentages
	Individual	Hamid	5.00%
		Samsudin	5.00%
	Company	Maju Sdn Bhd	60.00%
		Riverside Pte	30.00%

Ultimate Beneficial Shareholders	Category	Shareholders	Percentages
	Individual	Hamid	5.00% + 3.00% + 9.00%
		Samsudin	5.00%
		Rosmary	3.00%
		Angela (foreigner)	9.00%
	Company	Public Limited Co.	18.00%
		Govt. Linked Co.	18.00%
		Riverside Ptd (foreign)	30.00%
Total			100.00%

Interpretation of “foreign person”

(a) a non-Malaysian citizen;

(b) a Malaysian permanent resident;

(c) a foreign company as defined in the Companies Act 1965 [Act 125] or any other foreign entity; or

(d) a Malaysian entity in which the individual, foreign company or other foreign entity specified in paragraph (a), (b) or (c), as the case may be, holds more than forty-nine per centum of the voting power or issued share capital (excluding preference shares);

Public License (Provisional)
from Suruhanjaya Tenaga

To be applied within 30 days after issuance of MAH
Certificate

Scanned soft copy of the Public License (Provisional)
from Suruhanjaya Tenaga

Hard copy of the above certified as a true copy by
an Advocate & Solicitor of the High Court of Malaya
or a Commissioner of Oaths

Project Milestones

Financing Agreement(s)

To be completed before appointment of EPC contractor

Scanned soft copy of the bank account latest 3 months statements showing a minimum credit balance of 5% of the capital cost. (applicable to company only).

Scanned soft copy of the financing agreement(s) and related documents entered into in respect of the financing or refinancing of the renewable energy installation

Project Milestones

1st Payment to EPC Contractor

Scanned soft copy of a letter from the FIA Holder's financier confirming that funds have been released to the FIA Holder for the 1st drawdown under the Financing Agreement(s).

Scanned soft copy of the official receipt from the Contractor

Project Milestones

Initial Operation Date (IOD)

Documents to be uploaded into system within 5 days after IOD occurred

- Scanned soft copy of the report / confirmation by DL that the revenue meter has been installed
- Scanned soft copy of the acceptance test certificate issued by a qualified person
- Scanned soft copy of the ST Public License (Permanent).
- Hard copy of the ST Public License (Permanent) certified as a true copy by an Advocate & Solicitor of the High Court of Malaya or a Commissioner of Oaths
- Required to apply 3 Months from ST before Initial Operation Date (IOD)
- Scanned soft copy of the written confirmation from the FIA Holder that the initial operation date has occurred, accompanied by:
 - a) A certificate from a qualified person stating that the renewable energy installation and interconnection facilities have been designed and constructed in accordance with prudent utility practices; and
 - b) The distribution licensee's written acceptance of the initial operation date proposed by the FIA Holder

Project Milestones

FiT Commencement Date

Documents to be uploaded into system within 14 days after FitCD occurred

- Scanned soft copy of the written confirmation from the FiA Holder that the FiT Commencement Date has occurred, accompanied by a certificate from a qualified person, stating that the renewable energy installation has successfully completed a reliability run in accordance with the requirements of the Renewable Energy (Technical and Operational Requirements) Rules 2011

Reliability Run of all renewable energy installations connected to a connection point through a medium or high voltage direct connection are seven (7) continuous days as per "Guideline and Determination of the Sustainable Energy Development Authority Malaysia" requirement

- Scanned soft copy of the testing and commissioning report confirming the applicable bonus FiT criteria. (installation in buildings or building structures)
- Scanned soft copy of the written confirmation by a qualified person that such modules and/or inverters (as the case may be) were installed in the renewable energy installation. (solar photovoltaic modules,

Enhancement of e-FiT Online System

Registration of RE Developers/Applicants

- Minimal Age for Registration of RE Developer/Applicant
- Request for Change due to typo mistake in Applicant/Company Particulars (excluding MyKad No/Registration No)
- Limit of 30MW Solar PV accumulative installed capacity per RE Developer/ non-Individual Applicant
- Limit of 5MW Solar PV accumulative installed capacity for each shareholder: direct or indirect

Feed-in Approval Application

- Unique Parcel Identifier (UPI) of Project site
- Latitude & Longitude (GPS) information of Project site
- Proof of Project Site Ownership Information
- Workplan for all proposed Project Milestones
- References of supporting documents to be uploaded
- Enhanced Email Reminders to FiA holders
- Control of Distribution Licensee by State/ Locality
- Online Declaration and softcopy to be uploaded within 3 days
- 1 Feed-in Approval per RE Developer/Applicant per day

Processing of FiA Application

- Online Enquiry on Feed-in Approval application and Project Status
- Sending Notifications and Reminders
- Reclassification of solar PV category
 - Individual up to 12kW
 - Non-Individual up to 500kW
 - Non-Individual more than 500 kW
- Net Export Capacity & Type of REPPA on FiA certificate
- No Multiple Feed-in Approval applications on one project site

1st Reminder – 14 days before

Subject : e-FiT URGENT - G2012110007 Your milestone date for FIRST PAYMENT TO EPC CONTRACTOR is approaching in 14 days.

Message : **FIRST REMINDER**

Dear **<Applicant Name>**,

Please be informed that a milestone date under your work plan for **<Project Milestone>** is approaching in 14 days. Please provide a status update on your renewable energy installation and work plan by **<date>** via the e-FiT Online System.

If no status update is received from you by the abovementioned date, the Sustainable Energy Development Authority (SEDA) Malaysia will initiate steps to revoke your Feed-in Approval.

Please ignore this email if you have already updated your renewable energy installation and work plan via the e-FiT Online System.

Thank You,

2nd Reminder – 7 days before

Subject : e-FiT URGENT : S2011120697 Your milestone date for FIRST PAYMENT TO CONTRACTOR is approaching in 7 days.

Message : **SECOND REMINDER**

Dear **<Applicant Name>**,

Please be reminded that a milestone date under your work plan for **<Project Milestone>** is approaching in 7 days. Please provide a status update on your renewable energy installation and work plan by **<Date>** via the e-FiT Online System.

If no status update is received from you by the abovementioned date, the Sustainable Energy Development Authority (SEDA) Malaysia will initiate steps to revoke your Feed-in Approval.

Please ignore this email if you have already updated your renewable energy installation and work plan via the e-FiT Online System.

Thank You,

Sustainable Energy Development Authority Malaysia,

Copyright © SEDA Malaysia, 2012
Galeri PiH, Aras 8, Jalan P4/W

3rd Reminder – 1 day before

Subject : e-FiT URGENT : S2012020037 Your milestone date for FIT COMMENCEMENT DATE is approaching in 1 days.

Message : **THIRD REMINDER**

Dear <Applicant Name>,

Please be informed that a milestone date under your work plan for <Project Milestone> is approaching in 1 days. Please provide a status update on your renewable energy installation and work plan by 19/02/2013 via the e-FiT Online System.

If no status update is received from you by the abovementioned date, the Sustainable Energy Development Authority (SEDA) Malaysia will initiate steps to revoke your Feed-in Approval.

Please ignore this email if you have already updated your renewable energy installation and work plan via the e-FiT Online System.

Final Reminder – 3 days after

Subject : e-FiT URGENT : M2012090004 Your milestone date for ST PUBLIC LICENSE (PROVISIONAL) has lapsed 3 days ago.

Message : **FINAL REMINDER**

Dear **<Applicant Name>**,

This is the final reminder regarding the status update on your renewable energy installation and work plan via the e-FiT Online System.

Despite of sending 3 reminders to you, you have failed to provide a status update on your renewable energy installation and work plan by **<Date>** via the e-FiT Online System.

Please submit the status update on your renewable energy installation and work plan via the e-FiT Online System within 3 days from the date of this e-mail; failing which, the Sustainable Energy Development Authority (SEDA) Malaysia will initiate steps to revoke your feed-in approval.

Please ignore this email if you have already updated your renewable energy installation and work plan via the e-FiT Online System.

Management of Feed-in Approval

- Registration of ISPQ Holders
- Withdrawal of Feed-in Approval submission
- Cancellation of Feed-in Approval
- Refusal and Revocation of Feed-in Approval
- Transfer of Feed-in Approval
 - Individual to Individual
 - Company to Company

Registration of ISPQ Holders

Registration Form

Please enter your business details in order to complete the registration.
